

JAPAN IN A SUITCASE

The Great Falls Japanese Cultural Committee (JCC) in cooperation with the Japan-America Society of Washington DC is proud to present Japan-in-a-Suitcase, a program that encourages a deeper understanding and awareness of Japan and Japanese culture through hands-on activities and demonstrations. Japan-in-a-Suitcase brings bits of Japan — traditional toys, clothing, school items and crafts — to the classroom in an exciting suitcase.

Monday, December 7th, 2015
